#### Education

## California State University, Fresno

Fresno, CA

Pursuing a Bachelor's Degree in Computer Science

May 2026

**Relevant Coursework:** Algorithms and Data Structures, Operating Systems, Artificial Intelligence Programming, SOFT-START Cybersecurity Intermediate Certificate

# **Technical Skills & Projects**

**Programming**: C++, Python

### **Battleship Game**

Built a two-player, text-based Battleship game with multithreading in C++. Managed concurrent gameplay using threads and mutexes; implemented dynamic board updates and random ship placement.

## **Keystroke Logger**

A keylogger application using C++ and the Windows API to capture and log keystrokes into a .txt file. Used key code conversion, handling special keys and character mappings, and used file I/O for logging

### **Relevant Experience**

## California State University, Fresno

Fresno, CA

Supplemental Instruction Leader, Foundations of Computer Science Jan 2024 - May 2024 Facilitated weekly study sessions with innovative teaching materials. Led special review sessions that encouraged collaboration. Maintained weekly office hours.
